Military Airport at Telish

1. This field is located immediately northwest of Telish (N 43-20, E 24-16), and is bordered on the southeast by the Pleven-Sofia railway line.

2. from the 25X1

- a. An unidentified number of hangars and buildings under construction, only a few meters away from the railway line, on the southeast side and abeam of the town of Telish;
- b. Four or five old-type biplanes, parked in the vicinity of the hangars; and
- c. Several other aircraft.

Depot at Provadiya

3. A depot is located at the northeastern edge of Provadiya, approximately 200 meters east of the Novi Pazar - Varna railway line. The depot consists of an unspecified number of German-type wooden barracks, approximately 30 x 8 meters in size, with a tar-papered roof. The buildings were located symmetrically, at regular intervals, in several rows, and covered an area approximately one kilometer square. The whole area is not fenced in. Surveillance is maintained by Bulgarian Air Force guards armed with automatic revolvers and rifles.¹

1. Comments: this was a recently constructed depot for aviation materiel, but could give no further details concerning it. 25X1
